#### FOR IMMEDIATE RELEASE

Haverhill, Massachusetts (May 9, 2011) Adamson Industries Corp., a leading provider of public safety vehicle equipment and installation services asks the question, do you have a keyless Police Vehicle? All 2011 Dodge Chargers are keyless and if this vehicle is left running...it can be stolen from your officer!

Adamson Industries offers an anti-theft device for the 2011 Dodge Charger which locks the shift lever in park to prevent unauthorized use. Only the officers know how to disengage the anti-theft unit. Easy installation and no cutting of wires!

This anti-theft unit will give your officers peace of mind knowing their vehicle is safe if they have to suddenly leave while it is still running.

#### **Pricing and Availability**

This anti-theft unit, order number TM-AI is available and on sale for a limited time for the low price of \$105.00, buy 6+ and the price drops to \$99.00. To purchase, please call 800.232.0162 or visit us on the web at [www.adamsonindustries.com](http://www.adamsonindustries.com).
